I took me a river boat from Memphis and I rode to New Orleans. Met up with a little cayenne mammy  
my Delta queen, She said there's one thing I forgot to tell you, Yeah there's one thing you should know  
was a voodoo princess and my heart beats black like coal, Well she made up some black magic gu  
She said once you taste my cookin' boy It's gonna steal your heart away, She said there's one more  
Yeah there's one thing that you should know, She said once you taste my baby's cookin', It's gonna  
coal. Now she took me on a little walk down the bayou, On a lovers rendezvous. She said take my hand  
the thing lovers do, now there's one thing I forgot to tell you, yeah there's one thing you should know  
oh ohhh mmmm-mmmm-mm-mm-mmmm, Now this ain't hardly no story, Yeah it's barely even worth  
in a delta town, You're sure to lose yourself, And there's one thing I forgot to tell you, yeah there's one  
you. I said now don't you go messin' with no voodoo mamma, She take you straight to hell.
