

Pat Green, Lucky Ones

Day after day
The search goes on
No ones explained
That grevings so strong
Love runs so deep
Down in your soul
It hit me so high
All that I know

(chorus):
Cause baby the lucky ones
Baby the lucky ones
Baby the lucky ones
For a moment or two
Get to fall in love with somebody like you
Get to fall in love with somebody like you

They say use your head
Don't lose control
To hell with that pride
I swallowed it hole
There's nothing but love
No one but you
Can make such a hero
Of such a fool

(chorus)
Baby the lucky ones
Baby the lucky ones
Baby the lucky ones
For a moment or two
Get to fall in love with somebody like you
The lucky ones
Baby the lucky ones
Baby the lucky ones
For a moment or two
Get to fall in love with somebody like you
Get to fall in love with somebody like you
