

Pat Green, Somewhere Between Texas And Mexico

You say you love me but you love me not
Something about true love that you must have forgot
To lose a memory I know just where to go
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

(Chorus:)

King fish are jumping the moon is right
Full throttle captain til the were out of sight
Stars on the ocean will find me I know
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

South Padre Island to the Brownsville Bay
My heart is healing with each breaking way
But I got some real friends and theyre ready to go
Somewhere between Texas and Mexico
Somewhere between Texas and Mexico

(Chorus)

Its gonna take just a little more time
With a little help from the salt and a limes
Something about the wind and the sea sets a broken heart free out there yeah

(Chorus)

Somewhere between Texas and Mexico
