## Pat Green, Somewhere Between Texas And Mex

You say you love me but you love me not Something about true love that you must have forgot To lose a memory I know just where to go Somewhere between Texas and Mexico Somewhere between Texas and Mexico

## (Chorus:)

King fish are jumping the moon is right Full throttle captain til the were out of sight Stars on the ocean will find me I know Somewhere between Texas and Mexico Somewhere between Texas and Mexico

South Padre Island to the Brownsville Bay My heart is healing with each breaking way But I got some real friends and theyre ready to go Somewhere between Texas and Mexico Somewhere between Texas and Mexico

## (Chorus)

Its gonna take just a little more time With a little help from the salt and a limes Something about the wind and the sea sets a broken heart free out there yeah

## (Chorus)

Somewhere between Texas and Mexico
