

# Pat Green, Take Me Out To A Dancehall

Let you hair down  
Wear somethin' pretty  
Don't you know, how you make us both look good  
We'll call your mama  
And tell her we're going out tonight  
We're going to be late  
Hey, we might not make it back at all

Chorus:

So take me out to a dancehall  
And slap my foot down to the rhythm  
Tell 'em to play them old songs we all love  
So tell me that you want me  
And I'll tell you that I want you too  
And I'll kiss your face whenever you want me to  
Some people say don't you waste your time away  
Late night living, lover's rendezvous  
Well, take my hand  
And take a chance, yeah  
Close your eyes, yeah the rest is going come to you

Chorus:

So take me out to a dancehall  
And slap my foot down to the rhythm  
Tell 'em to play them old songs we all love  
So tell me that you want me  
And I'll tell you that I want you too  
And I'll kiss your face whenever you want me to  
I said forget about tomorrow  
I don't care if comes at all  
And if we get a little crazy  
Blame it on the alcohol

Chorus:

So take me out to a dancehall  
And slap my foot down to the rhythm  
Tell 'em to play them old songs we all love  
So tell me that you want me  
And I'll tell you that I want you too  
And I'll kiss your face whenever you want me to  
Hey baby tell me that you want me  
And I'll tell you that I want you too  
And I'll kiss your face whenever you want me to
