

Pat Green, Wrong Side Of Town

So tell me a story about something pretty
A gaurdian angel up in the sky
Make me believe in the hill for a climber
Ask me no questions and I'll tell you no lies
I'm hangin on mouth hangin open
World spinnin faster round and around
Hey whats the matter
Look unexpected
You took a right turn on the wrong side of town
You with the light on lookin so hopeful
Your just pretending you know what youve done
Cryin your heart out but nobodys lookin
Its not gettin better not having fun
I'm hangin on mouth hangin open
World spinnin faster round and around
Hey whats the matter
Look unexpected
You took a right turn on the wrong side of town
Jesus was wrong about all the sinners
He'd take a stump for the sign of the time
Running for shelter like nobody's business
You don't even notice the face of the sky
So many answers just booze talk and whispers
Pick up the pieces and gobble them down
Don't talk in words so I won't understand you
Just hold up your finger and cry like a girl
Im hangin on mouth hangin open
world spinnin faster round and around
Hey what's the matter
You look unexpected
You took a right turn on the wrong side of town
