

Pat McGee Band, Never Around

You're never around
You're never the same
You're never the one to blame

If you go (I will)
If you leave me not again
If you dont (i will)
Please just stay 'till the end
I know you won't

I can't help sometimes
Fall down behind
You're not the one to blame

If you go (i will)
If you leave me not again
If you dont (i will)
please just stay 'till the end

And you know I don't understand the way
You sit there by yourself
And no, I dont want to gamble with
Leaving you by yourself
Look at you, your by yourself
I know you won't (you won't)

I'm never around
I'm never the same
I'm never the one to blame

If you go (i will)
If you leave me not again
If you dont (i will)
please just stay 'till the end

If you go (i will)
If you leave me not again
If you dont (i will)
please just stay 'till the end
I know you won't
you won't
you won't
you won't

If you go...
