

Pat McGee Band, Shine

I hear you walkin around this house sometimes
I wish you never chose to cross that line
Now you walk among the famous ones
You're the angels' sun, but now you're gone
And you chose to shine
Sorry, but you know that we're
Far from fine

She won't be comin' home for quite some time
Guess I'll have to see you on the other side
Now you walk among the famous ones
You're the angels' sun, but now you're gone and you....
You chose to shine
Even on the line
Sorry, but you know that we're
Far from fine
I will live these days, (no, I won't)
I will live these days, (no, I won't)
I will live these days, no I won't hide....
No I, I won't hide

I feel you next to me, your eyes so bright
Never thought I'd see the world so kind
Now you walk among the famous ones
You're the angels' sun, but now you're gone and you...
You chose to shine
Sorry but you know that we're
Far from fine
I will live these days, (no, I won't)
I will live these days, (no, I won't)
I will live these days, no I won't hide
No I, I won't hide, I won't hide

I know you're watching me
Your father's so proud
You were born to be the talk of the crowd
But now you walk among
The famous ones
You're the angels' sun, and now you're gone and you
You chose to shine
Even on that line
Sorry, but you know we're far from fine

I will live these days, (no, I won't)
I will live these days, (no, I won't)
I will live these days, no, I won't hide
No I, I won't hide

I won't hide, I won't hide, no, I won't hide
