

Pat Monahan, Two Ways To Say Goodbye

Last night I slept in a bed of tears
But I woke up a better man
There's a space in between
Who you want and who I am
And someday baby we'll both understand
Now I could tell you that
You'll be all right
I could hold you
And keep lying
One way is holding on
One way is being strong
There's two ways to say goodbye
Your tears are made of pride
My tears have all been cried
There's two ways to say goodbye
Today I decided to take the long way home
I figured that the drive would do me good
I finally feel awake for the first time
I better get home to do what's right
That's right
One way is holding on
One way is being strong
There's two ways to say goodbye
Your tears are made of pride
My tears have all been cried
There's two ways to say goodbye
So I won't tell you that
You'll be all right
So please don't ask me to spend the night
Cuz I don't want to hold you
And keep lying
One way is holding on
Oh and I got to be strong
Either way it's goodbye
It's just a matter of time
Your tears are made of pride
My tears have all been cried
There's two ways to say goodbye
Wherever you go I want you to know
There's two ways to say goodbye
Wherever you go I want you to know
There's two ways
Goodbye
