

# Pate No. Feat. Colinda, Always

Ok, everybody come on listen to me  
I got a tell you a story about boy and girl  
about love about desperation  
come one sit up the prove oh yoeah.  
You will search in of some piece  
then you said you got a leave  
and you go there no planed back  
felling speaking on your hand...  
say say say you love me  
say say say you do  
baby thinking over  
it's all I need for live  
baby it's you...  
always be in my heart  
I won't let us a part  
your eyes show me your cry for love...  
I've been waiting of so long  
you told me I should be strong  
and my heart want's you to know  
I will never let you go...  
say say say you love me  
say say say you do  
baby thinking over  
it's all I need for live  
baby it's you...  
always be in my heart  
I won't let us a part  
your eyes show me your cry for love...  
come on listen to me  
always be in my heart  
I won't let us a part  
your eyes show me your cry for love...
