

# Pato Banton, Niceness

This is a vital demand and a special request  
to the people in the north, south, east and west. Yes!  
Open your ears and don't play deaf  
&#039;cause right now me come with a touch down fresh.  
No need to wonder, no need to guess  
if I'm the B. E. S. T. baba baba best.  
Without a doubt the answer is Y. E. S.  
that's why so many people show interest.  
I bring peace and love... no badness  
intelligent lyrics with... no slackness.  
I bring N. I. C. E. N. E. double S.

While in the subject of niceness  
I have to mention the thing call sess!  
Naturally beautiful green and fresh  
with vitamin C for 'Consciousness';  
The king of reggae Bob Marley  
said 'excuse me while I light my spliff';  
The great Peter Tosh had an all time hit!  
that went by the name of Legalize It!  
President of America is named after it... Bush!  
all politicians smoke it in secret.  
But this is the truth so you must believe it  
all reggae fans smoke it in public.  
We get the paper put the sess into it  
roll it, stick it and then we light it.  
We inhale sess, we exhale harr  
if you know the feeling come sing NICENESS.

Now people believe me  
when I tell you reggae music has come to rock the world.  
Not once not twice  
but one hundred million times positively. Niceness!!!

Now the whole wide world is in a great big mess  
because of political foolishness.  
When we should be striving for happiness  
everyone is putting up their defenses.  
To make things worst some mad scientists  
they seem to specialize in destructiveness.  
They mess up the air and they mess up the sea  
and now they are messing up the rain forest.  
In the struggle for money, power and greatness  
innocent people end up oppressed.  
You have the horse races, the dog races  
but the human race is for more riches.  
But one thing they don't realize is this  
'material things don't bring happiness';  
If you want happiness start with yourself  
put all your bad habits on the reject shelf.  
Then with a left, right, left, right, left, right, left  
left, right, left, right, left, right, left,  
left, right, left, right, left, right, left  
you keep on marching towards niceness!!!

Now I've told you before, so I tell you again  
who Jah bless no man curse, who Jah curses no man bless
