Revelation. Reveal.

Now revelation is a message to all mankind  
to open up your eyes no time to be blind.  
Prophets have predicted these the last times  
I can feel it in my bones and I can see the signs.  
War, famine, pollution and crime  
civilization is on the decline.  
But conscious people no worry your mind  
just be like a soldier pon the front line.  
When you check the situation (revelation!)  
Global tribulation (revelation!)  
Nation &#039;gainst nation (revelation!)  
So much sufferation (revelation!)  
Children having children (revelation!)  
Pestilence and famine (revelation!)  
I want you to listen and understand  
that these are the times of  
It won't be the end of the world (don't worry)  
just the end of a dispensation.  
Won't be the end of the world (don't worry)  
just time for another resurrection.  
Won't be the end of the world (don't worry)  
just the end of a dispensation.  
Won't be the end of the world (don't worry)  
woh de woh de woh!

The time has come for us to realize  
that this time is revelation time.  
Only those who seek will find  
and the only place to look is right within your mind.  
One God, one aim, one destiny... Paradise.  
No fear, no doubt, faith.
