

Pato Banton, Spirits In A Material World

There is no political solution
to our troubled evolution.
Have no faith in constitution
just check this reggae revolution.

We are spirits in a material world
are spirits in a material world.

Our so called leaders speak
with words they try to jail you.
They subjugate the meek
but it's the rhetoric of failure.

Spiritual material yes we are spiritual
ina this material world.

Run come come, run come come
every pose run come come.
Run come listen to the words of Mr. P. A. T. O. Banton
I'm a spiritual man pon this material land
spreading peace and love to each and everyone
so play this one on the radio station
and rock the air-ways with positive vibrations
the youth need spiritual education
that's the only way they'll ever know their destination.

Where does the answer lie
living from day to day.
Well if it's something we can't buy
there must be another way.
