

# Patricia Kelly, Diamond ring

they say the seventh year  
God allows the evil one  
to tempt the spousal woes  
to try to break the bound  
He'll take an aggressive, seductive  
or even stylish form  
beauty at first sight, rotten from  
the inside out  
He searches a crack in your wall  
and enters your home at night  
the angels hands are tied  
hell's forces are running wild  
My diamond ring is only for you  
Yes darling, only for you  
And if I, if I said it's you  
Yes darling  
Only for you  
Separation from the source  
Is his only goal  
Thrives for our fundamentals  
Viciously, uncannily  
Reasoning doesn't help  
Even if you're big and strong  
Only Grace can lift  
The spirit to where it belongs  
This ring is Holy  
Blessed and a gift from you  
My only man and love  
My sweetest of angels  
My diamond ring is only for you  
Yes darling, only for you  
And if I, if I said it's you  
Oh my sweet darling  
Only for you
