

Patrick Nuo, She's Like The Wind

She's like the wind, through my dream
She rides the night, next to me
She leads me through moonlight
Only to burn me with the sun
She's taking my heart
But she doesn't know what she's done

I feel her breath on my face
Her body close to me
I can't look in her eyes
She's out of my league
Just a fool to believe I have anything she needs
She's like the wind

I look in the mirror and all I see
Is the onknown man with only a dream
And I'm just fooling myself that she stops the pain
Living without her I go insane

I feel her breath in my face
Her body close to me
I can't look in her eyes
She's out of my league
Just a fool to believe I have anything she needs
She's like the wind

I feel your breath on my face
Your body close to me
I can't look in your eyes
You're out of my league

Just a fool to believe
She's like the wind (repeat 5 times)

Just a fool
She's like the wind
