

Patrick Nuo, Undone

Another day, another night
Another word, another fight
That I'm sorry for
Another try, another way
Another line, now you say
You can't stand it no more

It's easy to hurt and hard to heal
I wish you would try to make me feel
That you still care, you still care

How can I make it undone?
What can I do?
How can I stop this feeling
Inside of you?
If I could make it undone?
Would you be there?
You're still the spell I'm under
Do you still care?

Another chance to be wrong
Another promise to hold on
Regrets and sorrows
Maybe love, maybe lust
Do you believe, do you trust
In me and tomorrow

It's easy to hurt and hard to heal
I wish you would try to make me feel
That you still care, you still care

How can I make it undone?
What can I do?
How can I stop this feeling
Inside of you?
If I could make it undone?
Would you be there?
You're still the spell I'm under
Do you still care?

Do you still care about us
What can I do
To bring our good times back to you
I wish that I could make it just undone

How can I make it undone?
What can I do?
How can I stop this feeling
Inside of you?
If I could make it undone?
Would you be there?
You're still the spell I'm under
Do you still care?

I wish you would try to make me feel
That you still care
