Written by V.F. Stewart

I go to church on a Sunday  
The vows that I make  
I break them on Monday  
The rest of the week  
I do as I please  
Then come Sunday morning  
I pray on my knees

(Chorus)

Dear God  
I know I'm not worthy  
But I need you so  
Please won't you hurry  
And help me turn back from  
The path I have trod  
You'll never be sorry

Dear God

Each day we read in the paper  
Of the carryin's on  
Of some of our neighbors  
We're sinnin', and lyin',  
And forgetting the faith  
Then we have the nerve  
To ask is it to late  
(Repeat chorus)
