

Patsy Cline, She's Got You

I've got your picture that you gave to me
And its signed with love just like it used to be
The only thing different
The only thing new
I've got your picture, she's got you
I've got the records that we used to share
And they still sound the same as when you were here
The only thing different
The only thing new
I've got the records, she's got you
I've got your memory or has it got me
I really don't know
But i know it won't let me be
I've got your class ring that proved you cared
And it still looks the same as when you gave it dear
The only thing different
The only thing new
I've got these little things, she's got you
I've got your memory, or has it got me
I really don't know but I know it won't let me be
I've got your class ring that proved you cared
And it still looks the same as when you gave it dear
The only thing different
The only thing new
I've got these little things, she's got you
