

# Patsy Cline, Today, Tomorrow, & Forever

Written by don reid

How warm is the love in my heart for you  
As warm as the sun in the sky of blue  
How long will it shine if you say you're mine  
Today, tomorrow and forever

How strong was my love from the very start  
How long will it last in my happy heart  
How much would I cry if we'd ever part  
Today, tomorrow and forever

'cause if you weren't there to share my love  
Who cares if the sky should fall

For anyone can see how much you mean to me  
You're my life, my love, my very all

And as long as the tides of the ocean flow  
As long as the trees and the flowers grow  
So long, oh my love, will I love you so  
Today, tomorrow and forever

(repeat last two verses)

Today  
Tomorrow  
And forever
