

# Patsy Cline, Your Kinda Love

IF I BELIEVE

If I believe in paradise,  
I swear I must be there.  
I swear I must be there right now with you.  
If I believe in miracles,  
I'd know that one was happening to me.  
But I don't believe in paradise  
And miracles are not real.  
Then, someone tell me what is this I feel?

Chorus:

I wanna believe it's love this time.  
I wanna believe my heart's not telling me lies.  
But with you I can't deny.

If I believe in paradise,

I swear...

I'm there.

If I believe in magic spells,

It all would be so clear:

A magic spell must have brought you here.

If I can see the future,

I'd see if you and I were meant to be.

But I don't know any magic,

And tomorrow's just a dream.

Then something in this fantasy is real.

I wanna believe it's love this time.

I wanna believe my heart's not telling me lies.

I wanna believe it's love this time.

I wanna believe my heart's not telling me lies.

But with you I can't deny

If I believe in paradise, I swear...

I'm there.

I'm there...

I swear...

If I believe.
