

Patti Austin, If I Believe

If I believed in paradise
I'd swear I must be there
I'd swear I must be there right now with you
If I believed in miracles
I'd know that one was happening to me
But if I don't believe in paradise
Then miracles aren't real
Then someone tell me what is this I feel
I wanna believe it's love this time
I wanna believe my heart's not telling me a lie
But with you I can't deny
if I believed in paradise
I'd swear I'm there
If I believed in magic spells
It all would be so clear
'Cause magic spells must have brought you here
If I could see the future
I'd see if you and I were meant to be
But I don't know any magic
And tomorrow's just a dream
But something in this fantasy is real
I wanna believe it's love this time
I wanna believe my heart's not telling me a lie
I wanna believe it's love this time
I wanna believe my heart's not telling me a lie
But with you I can't deny
If I believed in paradise
I'd swear I'm there
I'm there
I'm there
If I believed.
