

# Patti Austin, If I Believe

If I believed in paradise  
I'd swear I must be there  
I'd swear I must be there right now with you  
If I believed in miracles  
I'd know that one was happening to me  
But if I don't believe in paradise  
Then miracles aren't real  
Then someone tell me what is this I feel  
I wanna believe it's love this time  
I wanna believe my heart's not telling me a lie  
But with you I can't deny  
if I believed in paradise  
I'd swear I'm there  
If I believed in magic spells  
It all would be so clear  
'Cause magic spells must have brought you here  
If I could see the future  
I'd see if you and I were meant to be  
But I don't know any magic  
And tomorrow's just a dream  
But something in this fantasy is real  
I wanna believe it's love this time  
I wanna believe my heart's not telling me a lie  
I wanna believe it's love this time  
I wanna believe my heart's not telling me a lie  
But with you I can't deny  
If I believed in paradise  
I'd swear I'm there  
I'm there  
I'm there  
If I believed.
