Leaving Yesterday Behind

Keno

---

Since you left me, I never really tried  
To put my life at where it should belong  
And I've always let the past come back  
I'm realizing that it could be wrong  
But now I fin'lly knew  
I had to let it go  
To make way for a brighter tomorrow  
So now I'm leaving yesterday behind  
And fin'lly I've made up my mind  
To let the mem'ries stay away  
And think about today  
I'm leaving yesterday behind  
'Cause now I'll try to live my life once more  
The way I did before  
Since I know that I never will forget  
The memories that made my yesterday  
I will try not to let it interfere  
The choices I will make along the way  
'Cause I'm not livin' in a world of fantasy  
I'm here now in the world of reality  
So now I'm leaving yesterday behind  
And fin'lly I've made up my mind  
To let the mem'ries stay away  
And think about today  
I'm leaving yesterday behind  
'Cause now I'll try to live my life once more  
The way I did before  
I'm leaving yesterday behind  
And fin'lly I've made up my mind  
To let the mem'ries stay away  
And think about today  
I'm leavin' yesterday behind  
'Cause now I'll try to live my life once more  
Just the way I did before
