

# Patti LaBelle, Finally Got The Nerve

Here you come  
Walking my way  
So much inside me  
I wanna say  
I've been holding on  
For the longest time  
Yeeesss...

[Chorus:]  
Finally got the nerve  
To tell you how I feel about you  
The nerve  
I can't live without you  
The nerve  
To tell you  
What's been on my mind  
For a lifetime  
I finally got the nerve  
I found the words to say  
I got the nerve  
Can't wait another day  
Got the nerve  
I don't wanna lose it  
This time, noooo...

I'm trying to make  
Trying to make a connection  
But I'm afraid that there  
Might be rejection  
On your part  
It would break my heart  
In a million pieces  
Can't go through it (through it)  
Another day  
I gotta let you know  
I feel this way  
About you man  
I just dream about you  
In my life

[Chorus]

[Bridge:]  
When you walk by me  
My heart skips a beat  
I contemplate  
The thought of you and me  
I get weak for you baby  
I can't speak  
But that's how it is

I know I gotta, gotta keep it real  
Cuz you know how  
You know how I feel  
I'm wanting you  
And I'm needing you  
Every day

[Chorus]
