I sure don't mind givin you good lovin' baby  
You know I don't mind givin you good lovin' baby

You love me unlike any love I've ever known  
I really do appreciate it baby  
The way you call my name sweet baby  
Ev'ry little touch, every little kiss  
I never felt as good as this  
So anytime you call me baby  
I'll be there to give you what you need

[Chorus:]

I sure don't mind givin you good lovin' baby  
Anytime you want me baby  
I'll be there to give you what you need  
You know I don't mind givin you good lovin' baby  
Anytime you need me sugar  
Satisfaction guaranteed

I'm feelin you, and I really wanna let you know  
You can have what you want anytime you want me  
No matter what it is anything just ask me  
Everytime we touch, everytime we kiss  
Wanna give you more of this  
So just call me baby
