

# Patti LaBelle, I Can't Complain

Sometime, I can't help thinking,  
just what my life is for,  
I try to do very best that I can,  
yet I know I can do more.

This life i lead is not one without its pain,  
That doesn't mean i should smile nothing there to gain.

I can't complain,  
I know the sun shines through the rain,  
It still survives,  
I can't complain,  
everyday is a new begining,  
and this is journey of my life,  
Journey of my life.

(Said)I've done just as i've desired  
Lived on wire without a net  
Been so many places  
(Said)I've seen so many faces  
Beautiful friends i will never forget.

Sometimes I look above and think i wanna give it up  
Then I remember all the lives that i have touched

I can't complain....  
So many yesterdays have come and gone their way.  
Love leads me striaght and clear into the light of day.

I can't...

I'm not the only one who's learned to try again,  
And through it all I've got my family and friends,  
So I can't complain...
