Patti LaBelle, I Sold My Heart To The Junkman

Patty Labelle and The Bluebells

"...song, this is a very sad song, this next song we're gonna do. The song is so sad that sometimes I have to leave the stage and cry in the backstage a little bit while I'm singing this song. The reason this song is so sad because this story happened to me just a little while ago (not true, but true) (audience laughs) And it was, it was a thing where I met this this beautiful girl, right? was she a beautiful girl as she was, she was nice and ... and I gave her my whole heart, every every bit, and she gave it back to me a month later all beat up, so bad and so terrible looking that I Sold My Heart To The Junkman ! Now I can never fall in love again....&guot;

Well I gave my heart to you, open, so open and trusting And you gave it back to me, it was broken up and busting (sold my heart) I sold my heart to the junkman (sold my heart) I sold my heart to the junkman I can never fall in love again

Oh and I know you took my heart, you thought that you could use it When you gave it back like a toy you broken and bruised (sold my heart) I sold my heart to the junkman (I sold my heart) I sold my heart to the junkman I can never fall in love again

Now, it was a movie sad scene, I played my part Ooh I wanted the happy ending, but all I got was a broken heart (all he got was a broken heart) (I sold my heart) I sold my heart to the junkman(I sold my heart) I sold my heart to the junkman I can never fall in love again

Now I swear it was a movie setting, baby I played my part And all I wanted was a happy ending, but now I'm left with a broken heart (now he's left with a broken heart) (I sold my heart) I sold my heart to the junkman (I sold my heart) I sold my heart to the junkman I can never fall in love again

I gave my heart to you, so open and trusting And you gave it back to me, it was broken up and busting (so I sold) I sold my heart to the junkman (yes I sold) I sold my heart to the junkman I can never fall in love again

Yes I did sold my heart to the junkman Yes I did, yes I did Sold my heart to the junkman Now I can never fall in love again Since I sold my heart to the junkman
