

# Patti LaBelle, Love Don't Live Here Anymore

[Originally by Rose Royce]

You abandoned me  
Love don't live here anymore  
Just a vacancy  
Love don't live here anymore

When you lived inside of me  
There was nothing I could conceive  
That you wouldn't do for me  
Trouble seemed so far away  
You changed that right away, baby

You abandoned me  
Love don't live here anymore  
Just a vacancy  
Love don't live here anymore

Love don't live here anymore  
Just emptiness and memories  
Of what we had before  
You went away  
Found another place to stay, another home

You abandoned me  
Love don't live here anymore  
Just a vacancy  
Love don't live here anymore

In the windmills of my eyes  
Everyone can see the loneliness inside me  
Why'd ya have to go away  
Don't you know I miss you so and need your love

You abandoned me  
Love don't live here anymore  
Just a vacancy  
Love don't live here anymore

You abandoned me  
Love don't live here anymore  
Just a vacancy  
Love don't live here anymore

Love don't live here anymore  
Love don't live here anymore

You abandoned me  
Love don't live here anymore  
Love don't live here anymore  
Love don't live here anymore
