## Patti LaBelle, Love, Need And Want You

I love you I love you honey I Love you I do More than you ever know it's for sure you can always count on my love for ever more

Need you I need you baby I need you right now say can you understand your my man and my one desire is keeping you satisfied

T

Bridge Baby when we when we're together say I'm alright and your alright it's like paradise I just want you to know how I feel How I feel

Oh I want you I want you sugar I want you so bad I got a burning desire my soul's on fire can't you see you are my everything

Baby when we when we're together say I'm alright and your alright it's like paradise I just want you to know how I feel How I feel

Oh I love you I love you honey I Love you I do More than you ever know it's for sure you can always count on my love for ever more

I love and need and want you baby I love and need and want you baby I love and need and want you baby love and need and want you baby I love and need and want you baby love and need and want you baby

You can count on me for ever more I love and I need and I want you I got this burning desire my soul's on fire you can't count on me for ever more I love baby I need Baby I want your love oh I Love you I need you You can always count on my love for ever more [Repeat to fade]
