

Patti LaBelle, Quiet Time

When We awaken to the morning light its quiet time.
I realize were so lucky, were heaven blessed.
You came into my life at such a lonely time, now Im
satisfied.

When you come home in the afternoon I feel quiet time.
Its a pleasure for me, oh it comes so naturally releasing
all my love, my love, my love. Oh you came in my life at
such a lonely time and now Im satisfied

Moonlight, sunshine quiet time, quiet time
Rainy days a million ways quiet time, quiet time
Your time is any time, quiet time, quiet time

When youre around, be around, stay around
Be around, stay around, be around stay around
stay around ahhhhh..

Oh its quiet time
ooh ooh
Oh its quiet time
ooh ooh
Oh its quiet time
ooh ooh
Oh its quiet time
ooh ooh
its quiet time oh oh oh oh oh
ooooooh

Moonlight, sunshine, quiet time, quiet time
Rainy days a million ways quiet time, quiet time
Your time is any time quiet time, quiet time (Repeat to end)
