

# Patti LaBelle, Sometimes Love

When you love someone like you do  
There's no in between, not for you  
You give him everything that you got  
You love him all the way or not  
When you love someone it just hurts  
When you've done everything to make it work  
So when everything's not enough  
Maybe he's just not the one

[Chorus:]  
Sometimes love walks away  
Sometimes love has to change  
Sometimes the heart has to break  
But you're not the only one  
That's been hurt by love  
Sometimes love's not the way  
That you thought it would be  
Sometimes you just got to leave  
But you're not the only one  
That's been hurt by love

When you love someone it's natural  
To have second thoughts, should you go  
It's not easy girl, being strong  
You keep wondering if you were wrong  
But don't you fall for that it's a game  
The trying to make you feel you're to blame  
To protect your heart there's no shame  
You know better girl walk away

[Chorus]
