

# Patti LaBelle, You Are My Friend

You are my friend,  
I never knew it 'til then  
My friend, my friend

You hold my hand,  
You might not say a word  
But I see your tears when I show my face

You're my, my friend  
I never knew it 'til then  
My friend  
I feel your love,  
When you're not near  
It helps me make it knowing you care

The thought of you helps me carry on  
When I feel all hope is gone  
I see the world with brand new eyes  
Your love has made me realize  
My future looks bright to me,  
Oh because you are my friend  
Da, da, da, da (ad lib)

I've been looking around and you were here all the time.  
Da, da, da  
I've been around and around and around and around  
Da, da, da  
I've been looking around and you were here all the time
