

Patti Page, Allegheny Moon

Allegheny Moon I need your light

To help me find romance tonight

So shine, shine, shine

Allegheny Moon your silver beams

Can lead the way to golden dreams

So shine, shine, shine

High among the stars so bright above

The magic of your lamp of love can make him mine

Allegheny Moon it's up to you

Please see what you can do

For me and for my one and only love

Shine, shine, shine

Shine, shine, shine

High among the stars so bright above

The magic of your lamp of love can make him mine

Allegheny Moon it's up to you

Please see what you can do

For me and for my one and only love

Shine on me tonight, Allegheny Moon
