

Patti Smith, Paths That Cross

Speak to me
Speak to me heart
I feel a needing
to bridge the clouds
Softly go
A way I wish to know
A way I wish to know

Oh you'll ride
Surely dance
In a ring
Backwards and forwards
Those who seek
feel the glow
A glow we will all know
A glow we will all know

On that day
Filled with grace
And the heart's communion
Steps we take
Steps we trace
Into the light of reunion

Paths that cross
will cross again
Paths that cross
will cross again

Speak to me
Speak to me shadow
I spin from the wheel
nothing at all
Save the need
the need to weave
A silk of souls
that whisper whisper
A silk of souls
that whispers to me

Speak to me heart
all things renew
hearts will mend
round the bend
Paths that cross
cross again
Paths that cross
will cross again

Rise up hold the reins
We'll meet again I don't know when
Hold tight bye bye
Paths that cross
will cross again
Paths that cross
Will cross again
