Patty Duke, Don't Just Stand There

Please don't just stand there Come and kiss me like before Please don't just stand there Looking down at the floor If something is wrong Give me just one little sign Is there someone else Please tell me Tell me what what what's on your mind Once when we'd meet You'd run to hold me tight Life was so sweet Until tonight Please don't just stand there Get it over if we're through Please don't just stand there While my heart breaks in two Don't be unfair
