

# Patty Loveless, Feelings Of Love

(Kostas)

I leave you with something  
You can't understand  
You can't buy or sell it  
Or hold it in your hands  
It's greater than this world of ours  
Or the heavens above  
I leave you with feelings of love

It's as free as the wild wind  
As gentle as a lamb  
It fills the angels with envy  
It's givin' free to man  
Gives courage to the lion  
Peace to the dove  
I leave you with feelings of love

Feelings of love  
Are what make my love real  
Feelings of love  
Are the best things to feel  
You gave it to me freely  
Now I leave it with you  
I leave you my feelings of love

It gives man to a woman  
Gives a woman to her man  
It makes friends out of enemy's  
It makes our hearts join hands  
You gave it to me freely  
Now I leave it with you  
I leave you my feelings of love
