

# Patty Loveless, I Came Straight To You

All I've got is what I've got  
I can't act like what I'm not  
Got an old soul, a tender heart  
And I came straight to you

Well I do my best to tell the truth  
Ask my friends if you need proof  
If you don't count my reckless youth  
I came straight to you

Thought I walked a twisted trail  
Till I saw where it led me to  
Yeah, one foot in front of the other, baby  
And I came straight to you

Had this picture in my mind  
Of someone who I hoped I'd find  
Honey, I've known you a long long time  
And I came straight to you

Well it seemed such a long shot  
But somehow my aim was true  
Like a moonbeam across the water, baby  
I came straight to you

All I've got is what I've got  
And I can't act like what I'm not  
Got an old soul, a tender heart  
And I came straight to you

I thought I walked a twisted trail  
Till I saw what it led me to  
Yeah, one foot in front of the other, baby  
And I came straight to you

Like a moonbeam across the water, baby  
I came straight to you  
Straight to you
