

Patty Loveless, Nobody Loves You Like I Do

Leave your heartaches just outside the door
Lean your troubles up against my heart
And any time you need a friend to laugh or cry with you
Remember, nobody loves you like I do

Sometimes things just don't go your way
Sometimes rain clouds cover up blue skies
And, some day, if you think that I've grown tired of you
Remember, nobody loves you like I do

There's no one else in the whole wide world
Could ever take the place of you
And no one else in the whole wide world
Could ever love you like I do

Don't be afraid of what today may bring
Yesterday don't matter anymore
Just as long as you need me, I'll be there for you
'Cause, darling, nobody loves you like I do
Just as long as you need me, I'll be there for you
'Cause, darling, nobody loves you like I do
