

# Patty Loveless, So Good To Be In Love

(Staley)

Well it's been a long time  
Since I thought about a man  
I never think about maybe  
Givin' him a hand  
I don't have to think twice  
When it comes to you  
I only have to ask  
Once for me to say I do

Baby baby you're my world  
Present to live here for this here girl  
You hung the moon and the stars above  
Baby baby  
So good to be in love

Well you make it so easy  
You take a second chance  
Open up my heart  
And gamble on romance  
I want to be there  
Every night and every day  
When I think about you  
I get carried away

Baby baby you're my world  
Present to live for this here girl  
You hung the moon and the stars above  
Baby baby  
So good to be in love

Ohh baby baby you're my world  
Present to live for this here girl  
You hung the moon and the stars above  
Baby baby  
So good to be in love  
So good to be in love
