

# Patty Loveless, That's The Kind Of Mood I'm In

I tell you what, we're in a rut, we're in a deep rut  
So habitual, predictable I tell you what we oughta do  
We oughta drive away, fly away, find a way to get away  
We need a break from the same old, same old nothin' new  
Wanna go out on a limb, on a whim, yeah  
That's the kind of mood I'm in

## CHORUS:

Let's go somewhere, nowhere we've heard of  
Hang the sign out, "Do not disturb us"  
Get a wake up call about three p.m.  
That's the kind of mood I'm in  
A little shake up, take the chain and rattle it  
Try to catch the wind and saddle it  
Fall in love all over again, yeah  
That's the kind of mood I'm in

I tell you this, I want a kiss, I want a long kiss  
The kind of deep down, move the ground thing you used to do to me  
I wanna dance a little, dream a little, baby, just live a little  
Make my heart rate elevate, bring it up a few degrees  
Get me gone with the wind, now and then, yeah  
That's the kind of mood I'm in

## REPEAT CHORUS

Any hemisphere, change of atmosphere  
Get me outta here right now

## REPEAT CHORUS
