

# Patty Loveless, The Lonely Side Of Love

I can't make these heartaches go away  
He's always on my mind  
The memories of the love we had  
Don't fade away with time  
What is this crazy road  
I'm on  
I don't understand

What makes two people  
Fall in love  
What goods a promise  
When the love is gone  
Where do you go  
When you find yourself  
On the lonely side of love

The rain is fallin' to the ground  
The neon rainbows glow  
I see us standing far away  
Where peaceful waters flow  
It's the only dream that I have left  
That I can hold on to

Now am I right or am I wrong  
For holdin' on to what is gone  
And what's left to believe in  
On the lonely side of love

I can't make these heartaches go away  
He's always on my mind  
The memories of the love we had  
Don't fade away with time  
What is this crazy road  
That I'm on  
I don't understand

What makes two people fall in love  
What goods a promise  
When the love is gone  
Where do you go when you find yourself  
On the lonely side of love

Now am I right or am I wrong  
Holding on to what is gone  
And what's left to believe in  
On the lonely side of love
