

Patty Ryan, You're My Love, You're My Life

Since you were an angel from the sky
You fill my fantasy
The way you look takes me so high
You're everything to me
And all i want is your photograph
How i'm longing for your smile
So come and touch me
Come and feel me
Hear me cry
You're my love (you're my love)
You're my life (you're my life)
Everyday (everyday)
Every night (every night)
Is it right (is it right)
What i feel (what i feel)
How i wish you were for real
You're my love (you're my love)
You're my life (you're my life)
Everyday (everyday)
Every night (every night)
In my dreams (in my dreams)
I'm with you (I'm with you)
Will you make my dreams come true
I'm all alone the night has come
You're in my radio
It's when you sing i feel the sun
Now i can feel the show
Since forevermore you're my destiny
Take my loneliness away
So come and touch me
Come and feel me
Hear me say
You're my love (you're my love)
You're my life (you're my life)
Everyday (everyday)
Every night (every night)
Is it right (is it right)
What i feel (what i feel)
How i wish you were for real
You're my love (you're my love)
You're my life (you're my life)
Everyday (everyday)
Every night (every night)
In my dreams (in my dreams)
I'm with you (I'm with you)
Will you make my dreams come true
Since forevermore you're my destiny
Take my loneliness away
So come and touch me
Come and feel me
Hear me say
You're my love (you're my love)
You're my life (you're my life)
Everyday (everyday)
Every night (every night)
Is it right (is it right)
What i feel (what i feel)
How i wish you were for real
You're my love (you're my love)
You're my life (you're my life)
Everyday (everyday)
Every night (every night)
In my dreams (in my dreams)
I'm with you (I'm with you)

Will you make my dreams come true
(repeat chorus til fade)
