

# Paul , A Night Like This

From where you are  
You see the smoke start to arise  
Where they play cards  
And you walk over  
Softly moving passed the guards  
The stakes are getting higher  
You can feel it in your heart  
He calls you bluff  
He is the ace you never thought  
He played that much  
And now it's more than all this cards  
You want to touch  
You never know if winning this  
Could really be enough

Take a look  
Beyond the moon  
You see the stars  
And when you look around  
You know the room by heart

I have never dreamed it  
Have you ever dreamed a night like this  
I cannot believe it  
I may never see a night like this  
When everything you think is incomplete  
Starts happening when you are cheek to cheek  
Could you ever dream it  
I have never dreamed, dreamed a night like this

How many times  
Have I been waiting by the door  
To hear these chimes  
To hear that someone debonair has just arrived  
And opened up to see  
My world before my eyes  
That silhouette creates an image  
On the night I can't forget  
It has the scent of something special  
I can't rest  
If I resist temptation  
Oh, I know for sure that I will lose the bet

I walk away and suddenly it seems  
I'm not alone  
In front of me he stands  
I stop, before he goes

I have never dreamed it  
Have you ever dreamed a night like this  
I cannot believe it  
I may never see a night like this  
When everything you think is incomplete  
Starts happening when you are cheek to cheek  
Could you ever dream it  
I have never dreamed, dreamed a night like this

Mmmmm, mmmmm...

I have never dreamed it  
Have you ever dreamed a night like this  
I cannot believe it  
I may never see a night like this  
When everything you think is incomplete

Starts happening when you are cheek to cheek  
Could you ever dream it  
I have never dreamed, dreamed a night like this
