

# Paul Anka, I Love You Baby

As I walk by the seaside  
As I walk through the grass  
I see little bluebirds  
Making love while I pass  
Bees are hummin' and they're singin' everywhere  
Everyone's in love

Oh oh  
I love you baby, I love you so  
I need you honey, I'll never let you go  
'Cause you're the girl in my heart  
You're the one I adore  
And I-I I love you

As I walk by the schoolyard  
As I walk by the gate  
I see the weeping willow  
Where we kissed on every date  
And carved in the bark  
You'll find an arrow and a heart  
And underneath it says

Oh oh  
I love you baby, I love you so  
I need you honey, I'll never let you go  
'Cause you're the girl in my heart  
You're the one I adore  
And I-I I love you

[Instrumental Interlude]

As I walk to the corner  
And I pass the candy store  
I hear the very music  
That I once heard before  
Oh how you held me as the music softly played  
I was so in love

Oh oh  
I love you baby, I love you so  
I need you honey, I'll never let you go  
'Cause you're the girl in my heart  
You're the one I adore  
And I-I I love you  
I-I I love you  
I-I I love you
