

# Paul Brandt, Let's Live It Up

You only go around once on this big spinnin' planet of love  
So don't be wastin' my time  
Tell me what you're dreamin' of  
We'll take a rocket to the moon and when we get that far  
I'll hang your coat and hat up on a shooting star  
Let's live it up!  
Let's live it up!  
Let's live it up!

Hang up the cat, put the dog out to dry, my my  
Roll up the bird and let the alligator wave bye-bye  
We'll take a slow gin to China  
A train to Peru  
In a rusty old steamer or a leaky canoe  
Let's live it up!  
Let's live it up!  
Let's live it up!

Around the block in a hot balloon  
Sounds awfully good to me  
Or a seat on the wing of a jumbo jet  
Flying straight to Mercury  
What's the matter with me  
Baby I've been such a fool  
Let's hop on a raft and navigate around in the pool  
We'll take a rocket to the moon and when we get that far  
I'll hang your coat and hat up on a shooting star  
Let's live it up!  
Let's live it up!  
Let's live it up!

A swing around the block in a hot balloon  
Sounds awfully good to me  
Or a seat on the wing of a jumbo jet  
Flying straight to Mercury  
What's the matter with me  
Baby I've been such a fool (who do you think you're foolin')  
Let's hop on a raft and navigate around in the pool  
And take a rocket to the moon and when we get that far  
I'll hang your coat and hat up on a shooting star  
Let's live it up!  
Let's live it up!  
Don't you ever think about givin' it up  
Let's live it up!  
Let's live it up!  
Let's live it up!

That's what I'm talkin' about right there
