

Paul Carrack, It Goes Without Saying

I need to hear it, One word from your heart
All you ever give me, is it goes without saying
You leave it unspoken, the message is loud and clear
Here in the silence where it goes without saying
Well it goes without saying
I'm feeling like a fool for hanging on
And if it goes without saying much longer I'm gone
You take it for granted, as if I can read your mind
I'm left with a question that never gets answered
I don't want this feeling of wondering where I stand
I won't even ask you if you're gonna tell me
It goes without saying
How am I supposed to know what's going on
If it goes without saying much longer I'm gone
Why should I cry?, Why lie to myself any longer
If it goes without saying, I'm feeling like a fool
For hanging on
When it goes without saying, baby there's no way to know
What's going on
If it goes without saying much longer, I don't know how I
Can say it any stronger if it goes without saying much
Longer,
I'm gone
