

# Paul Carrack, Satisfied

I'm still crazy for you, everything that you do  
Just wanna keep you satisfied  
Every trick in the book, girl by hook or by crook  
gonna keep you satisfied  
You've become an addiction, somehow I can't resist  
Let me make a prediction, now I know what I've missed  
In my heart there's a whole lot of lovin'  
A feelin' I can't deny  
I can't ignore if i wanted, so baby why should I try  
I'm still crazy for you, everything that you do  
Just wanna keep you satisfied  
Every trick in the book, girl by hook or by crook  
gonna keep you satisfied  
Well my heart still pounds like a hammer  
Every time you get close to me  
And my pulse starts to race  
At the thought of your embrace  
And my mind blows naturally  
Don't think I take you for granted  
That's something I'd never do  
Whatever you need to be happy  
Just ask and I'll give it to you  
I'm still crazy crazy for you, everything that you do  
Just wanna keep you satisfied  
Every trick in the book, girl by hook or by crook  
Gonna keep you satisfied
