

# Paul Carrack, Where Would I Be

Tell me where would I be now  
Without You  
Without an angel  
Watching out for me  
It took a long, long time  
For me to realize  
All my faith in you  
Was so justified  
Tell me where would I be now  
Without you  
Where would I turn  
To find the truth i need  
I could never go back  
To where i used to be  
I've got so used to having  
All the love you give to me  
Tell me where would I  
Be without you now

Ever time i stumble or i fall  
I call you name and you'll be there  
Or if i should fly too high  
I know that your love will reach me  
Anywhere

I could never go back  
To where i used to be  
I've got so used to having  
All the love you give to me  
Tell me where would i be now  
Without you  
Would i be lost, just drifting out to sea  
If i could start all over  
I wouldn't change a thing  
'Cause i know you'll always  
Be there through thick and thin  
Tell me where would i  
Be without you
