

# Paul Colman, I Owe It All

No matter how far I run  
Run away from you  
You've always been there  
And you welcome me home  
Like I never was gone  
Friend of all friends  
I've forsaken  
I've mistreated you  
Lover divine  
No matter how hard I tried  
To stray from your side  
You've always been true

And I owe it all to you Jesus  
I owe it all to you  
All my life I lay before you  
I owe it all to you

It seems too good to be true  
That all that I've got to do  
Is learn to let go  
I lay this burden down  
And I let your love surround  
All of my soul  
When I'm broken  
You mend me  
Healer divine  
And all that I've got to do  
Is learn to follow you  
Let your grace break through

You always lift me when I fall  
You always hear me when I call  
And you forgive me Lord  
And in your grace I am found
