

Paul Colman, I Owe It All

No matter how far I run
Run away from you
Youve always been there
And you welcome me home
Like I never was gone
Friend of all friends
Ive forsaken
Ive mistreated you
Lover divine
No matter how hard I tried
To stray from your side
Youve always been true

And I owe it all to you Jesus
I owe it all to you
All my life I lay before you
I owe it all to you

It seems too good to be true
That all that Ive got to do
Is learn to let go
I lay this burden down
And I let your love surround
All of my soul
When Im broken
You mend me
Healer divine
And all that Ive got to do
Is learn to follow you
Let your grace break through

You always lift me when I fall
You always hear me when I call
And you forgive me Lord
And in your grace I am found
